Principal's Message

Dear All,

We held a very busy P and C meeting on Wednesday night. The P and C has contributed so much to the school this year we are very grateful for their hard work and dedication. On that note the Quaama Fair is on Saturday so let us know if you can help out especially at 8.30 am or 2.00pm when we are setting up and packing everything up.

Also I have let my staff, our children and the P and C know that I will be taking two terms leave next year. At this stage I intend to retire at the end of my leave. I have family commitments both old and young that I must attend to. I have thoroughly enjoyed being the leader of this little school, and I will no doubt miss many aspects of the job especially the children; they make my day, every day, in the things they say and do.

Thank you all for the support you have shown me over the 5 years I have been at Quaama School.

Garden

Thank you Al for planting our new garden. We bought some plants with the community money from our performance; proteas, westringeas, abelia and a banksia. Our school environment is looking terrific.

Also thanks Letitia for your continued work with the children in the vegie garden.

Sport

Please note the change of date for the Cricket Day: 30th of October. This involves years 3 to 6.

Excursions

Thank you to everyone for your attention to paying for our excursions. Those that are having trouble meeting the costs have spoken to me and your help to get all of the children to our excursions is appreciated. I have applied for some grants to help with the cost of the transport so fingers crossed they come through and we can cut the costs.

Have a great week everyone

Roz Bannon Principal
5/6 Class News

Just one of the fantastic 100 Word Challenge entries from last week...

Suddenly I was able to see again. The cloudy vision had ended, almost as quickly as it had started. What did the vision mean? Was it real or fake? Was it meant for me?

“Questions! Too many questions,” I wailed, grasping my aching head. And then everything warped. A puppy, abandoned, cowering in a corner, watching a giant shadow lumber closer, closer, closer… a tiny warbler chick screeching for its mother as the tree it called home shook violently and eventually fell, throwing the chick into the waiting jaws of its tormenter…

“Arggh why, why, why,” I screamed hurling my voice at the wall, but then I saw my reflection in the mirror, they weren’t visions, they were memories.
