Principal’s Message

Dear All,

Professional Learning

Last week Mrs Hobbis and Ms Buteux attended a workshop on coaching. Coaching is a valuable tool for getting children and others to reflect on what are the goals of behaviour. What do I really want to achieve and how do I set in action the plans to get there. Then what is the time frame for this commitment. We hope that we can teach the children to use these important life skills.

Sport

Today we are starting our Swimming for Sport. This program enables us to develop the children’s swimming skills and we have seen great benefits for the children attending regularly. All children Kinder to Year 6 attend.

Excursions

Well done Year 3/4 for your enthusiastic participation in the Camp to Kianinny. Great work kids; it was great to hear all the stories of the fun things you did and the new friends you made.

P and C news

Thank you to the P and C for manning the barbecue at the Quaama Fair. It was relatively quiet so not a lot of money was raised but it was good to have a presence at this community event.

Principal News

Often during the year we have the offers from the community to come and teach the children about important events or research in the community. We had Doug Reckord from Bournda visit yesterday to help us plan to make our school more friendly for wildlife. The children had great fun constructing nest boxes for the yellow bellied glider.

Today we are having a visit from the Sapphire Coast Marine Discovery Centre teaching the children about whales.

We welcome these groups into our school as it is important for our children to connect and learn within the wider community.

S.C.L.C Visual Arts Exhibition

Some of our student’s work have been chosen for the Visual Art’s Exhibition. Judging is on at 6:00pm Friday October 24th, in the old Crazy Clark’s premises, Centrepoint Arcade, Merimbula. The exhibition will run over the weekend 10-4pm.

Have a great week everyone.
Canteen News

Jody MacRae and Shelley Boyle are rostered on for baking next week. Thank you.

Community News

Bermagui SLSC Nippers starts this Sunday @ cobargo pool 10am All Welcome!!!
