Dear All

Good luck to our Cross Country team running today at Wolumla. I know you will try your best.

Our Kinder, Year One and Two’s had a great time at the AFL day yesterday.

Newsletter
We have trialled newsletters being sent out once per fortnight. It has been brought to my attention that people want updates of things happening at school once per week. So we have decided on every second week to have a one pager with an updated calendar, and then a full newsletter every other week. I hope this suits everyone.

Student Welfare
At the beginning of term I sent out our School Welfare and Discipline policy. After students receive three detentions in one term parents are rung and an interview is arranged between the principal, the class teacher and the student.

Why we don’t contact parents straight away is to allow students the chance to make better choices independently of their parents. That way we are teaching students to problem solve, to understand that life does not always go their way and to negotiate and discuss respectfully their rights with teachers and peers. Or to accept that if they do the wrong thing they need to accept time out and reflect on their behaviour.

However if you require us to contact you after a single detention I will put your name and number in the detention book so teachers can contact you.

Have a great week everyone
Roz Bannon
Principal

P and C News
We held a very informative P and C meeting on Wednesday evening. An issue to arise from this meeting were the need for sharing the baking for the canteen!!!! So we will trial each family rostered on for once per term. If you cannot bake please let Kath Unsworth know. The roster is attached to the back page.

Walkathon
This important fundraiser for the P and C will be run next Friday. Please make sure you have your sponsors organised. For those new families we have issued new notes. We have all the children’s permission notes from the previous date if you wish permission to be changed please let the school know ASAP.

We will need donations of cakes and slices for the day please. Drop these off at the school if you will not be attending. Tea and coffee will not be supplied this year so please bring your own.
Canteen Baking Roster 2014

Please let Kath know if you cannot bake on your rostered day and we thank you for your help.

One healthy plate of slices, cup cakes, muffins, pancakes or mini quiches. no cakes with icing or coloured sprinkles thank you.

**May**
- 19th Macrae and Boyle Family
